Prioritised recommended actions for Domino's Pizza

- 1 | Identify** health and nutrition as a priority focus area for the company, with relevant objectives, targets and appropriate resourcing. Report progress against health and nutrition objectives and targets
- 2 | Develop** specific, measurable targets for the reduction of added sugar, saturated fat, sodium and kilojoule content across relevant menu items. Routinely report against progress in achieving reformulation commitments
- 3 | Participate in / implement** a strategy to adopt relevant recommendations from government-led initiatives (e.g., Healthy Food Partnership) to improve the healthiness of the food supply
- 4 | Implement** a policy for reducing the exposure of children and adolescents (up to the age of 18) to promotion of 'less healthy' foods/brands that applies across all media channels, and includes all times/events when a large number of children/adolescents are likely to be exposed.
- 5 | Commit** to not sponsor sporting and community events that are popular with children and families
- 6 | Commit** to make healthier meal options (e.g., healthier sides and drinks) the default option
- 7 | Introduce** a pricing strategy that positions healthier menu items at a similar or lower price to 'less healthy' equivalents, and **restrict** price promotions and value deal incentives that include 'less healthy' side and/or drink items
